School holidays – career events

The term break is the perfect time to explore your post school options!

The following are examples of events running through the term break (less than two weeks to go!).

University campus tours

The following are examples of three Victorian universities running campus and faculty tours.

Campus and faculty tours are a fantastic way to have a personalised tour, ask questions in a small group, and see behind the scenes of labs, buildings and student areas.

As some open days are virtual this year, this will be one of the only chances to have a personalised site tour in 2021.

Open Days

If you are considering studying at TAFE or university after school, it is crucial that you participate in Open Days.

Throughout the year, vocational and tertiary institutions showcase their courses, accommodation, scholarships, pathway courses, student services and their 'point of difference'

Open days are held on campus, virtually, or a combination of both.

At an Open Day, you will be able to:

Learn about courses and career options

Compare the course area you are interested in at different institutions

Learn about sports and societies you can join and be active in

Get course advice and guidance

Speak to student ambassadors and lecturers about the courses or careers you are interested in

Attend information sessions and workshops

If the open day is on campus, you will be able to do the above plus the following:

Undertake campus and accommodation tours led by current students

Watch live demonstrations

Listen to bands, eat lots of food, participate in activities and have fun!

Don't just pick a course at an institution without visiting the campus – you potentially will be spending several years studying there and spending tens of thousands of dollars on your course and accommodation.

It's worth making the effort.

My Career Match has developed a fantastic guide to assist you to get the most out of open days and Career Expos. You can access the article at this link - <https://bit.ly/2JgflLb>

This year the majority of Victorian universities will run a combination of on-campus and virtual open days. The following are examples of universities who have confirmed dates:

Skills Spiderweb

Try out the Job Outlook Skills Spiderweb! Different jobs need different skills. The Skills Spiderweb shows 12 skills that are common across many jobs.

The size of the web shows the level of skill or expertise workers usually need to perform well in their job. The larger the web the higher the skill level. You can use the Skills Spiderweb to:

- Learn about the skills needed for jobs that interest you
- Get a sense for the skills you might have built from your past jobs

You can access the Skills Spiderweb via <https://tabsoft.co/3q04ic9>

Employment resources

Do you need a Tax File Number (TFN)?

If you are planning to get a job or if you would like to study at university or TAFE next year, you will need a TFN. You will need to apply for a TFN – these aren't issued automatically.
